

Dina Stescovich

Product Designer

ABOUT ME

a creator and product designer pursuing a master's in Art Directing and New Narratives in Barcelona. My expertise lies in UX/UI design, crafting visually compelling and user-friendly experiences. Recognized at international film festivals, my work showcases a dedication to impactful storytelling through innovative design.

WORK EXPERIENCE

0815 Design | Product designer and team leader

2008–2011

Specializing in designing complex systems for high-profile clients. Lead and motivated teams to exceed expectations and deliver top-notch products. Expertise includes wireframes, concept-adapted design, flows, and presentations. Collaborated with product managers to ensure exceptional results.

Firma global business design | Design Intern

2020

Specializing in digital UX/UI, branding, and social. Gained hands-on experience in diverse design fields, as for the "Bar Ilan" University website or various designed animations, contributing to the firm's success.

Tink marketing solutions | Advertiser and junior advertising manager

2008–2011

Accumulated marketing expertise, fostered client relationships, won global awards in a Google project, and contributed to overall company success.

Education

Master in Art Directing and New Narratives | Elisava Barcelona

2023–recently

This ongoing program seamlessly integrates art direction and narrative storytelling, allowing me to develop a global perspective and versatile skills in shaping compelling visual narratives across diverse mediums. Work in the format of international class setting.

Student exchange | IED Madrid

2019

Engaged with a diverse visual design community, drawing inspiration from the rich cultural perspectives that surrounded, fostering creativity and camaraderie among talented peers, emphasizing the global impact and collaborative nature of the field.

B.design degree - Visual Communication Design | Holon institud of technology

2023–recently

Attained a Bachelor's degree in Visual Communication Design, specializing in interactive design and media production. Garnered distinction for the final project, receiving accolades and recognition at prestigious festivals across the globe.
